

Full Program

Wednesday 2nd June			
9.00 - 16.00	RSA BOARD MEETING (invitation only)		Conference Room 4 & 5
Pre-Conference Workshops			
	<i>Meeting Room 3</i>	<i>Cairns Base Hospital</i>	<i>Meeting Room 5</i>
9.00 - 12.00	"Teach the Teachers" <i>Sponsored by Amgen</i>	SIM Man Workshop 1	Vascular Access Workshop 1 <i>Sponsored by SonoSite</i>
13.00 - 16.00		SIM Man Workshop 2	Vascular Access Workshop 2 <i>Sponsored by SonoSite</i>

Full Program

Thursday 3rd June				
7.00 - 8.15	Breakfast Sessions			
	Meeting Room 8		Meeting Room 1	
	CKD Management Strategies: Translating Care into Best Practice <i>Amgen</i>		An Ultrasound Mapping Exercise <i>Bard</i>	
	Plenary Session Chair: Janet Hole			
8.30 - 9.15	Welcome Ceremony & Welcome to Country			Hall A
9.15 - 10.45	Opening Address KEYNOTE SPEAKER Motivating and managing different generations Avril Henry			Hall A
10.45 - 11.15	Morning Tea Sponsored by Fresenius			Hall 2
10.45 - 11.45	Journal Editorial Board Meeting (invitation only)			Committee Room
11.15 - 12.25	Concurrent Sessions			Top 10 Posters
	Innovations in CKD	Clinical Impact of Research	Innovations in Haemodialysis	
	Plenary Hall A	Meeting Room 2	Meeting Room 3 & 4	Meeting Room 5 & 6
	Chair: Barbara Harvey	Chair: Wendy Washington	Chair: Matt Sullivan	Chair: Kate Kendall & Kylie Dunbar-Reid
11.15 - 11.35	1. A New Initiative: A Renal Palliative Care Clinic <i>Shelley Tranter, St George Hospital, New South Wales</i>	4. Dressing? What Dressing? : What's under the Dressing <i>Kim Hughes, Townsville Renal Unit, Queensland</i>	7. Kidney on Wheels - Need Driving Innovation <i>Gillian Gorham, NT Renal Services, Northern Territory</i>	P1. Review of Collaborative Care for Haemodialysis Patients in Residential Aged Care Facilities <i>Sue Coppola, North West Dialysis Service, Melbourne Health, Victoria</i> P2. Supporting Pathways to Palliative Care for People Diagnosed with Chronic Kidney Disease <i>Sarah Challenor, Launceston General Hospital, Tasmania</i> P3. Improving Patient Outcomes for the use of Haemodialysis Central Venous Catheter <i>Chari Mercado, ACT Health, Australian Capital Territory</i> P4. Haemodialysis Patient Management: An example of inter-hospital collaboration <i>Jon Hosking, Sir Charles Gairdner Hospital, Western Australia</i> P5. Intradermal hepatitis B vaccination - a single centre experience <i>Karen Mills, Redland Hospital, Queensland</i> P6. Six Years Experience With Button-hole Cannulation <i>Linda Mcgrail, Sydney Dialysis Centre, New South Wales</i> P7. Electrical Safety in Home Haemodialysis – Progress in Victoria's Regulations <i>Megan Ruff, North West Dialysis Service, Victoria</i> P8. Incentre Haemodialysis Patients Utilisation Of GP Services In The Community <i>Paula McLeister, Gold Coast Hospital, Queensland</i> P9. The Impact of a Norovirus Outbreak on Staff <i>Maxine Jordan, ACT Health, Australian Capital Territory</i> P10. Evaluation of Pre-dialysis education in a C <i>Lois Berlund, Cairns Base Hospital, Queensland</i>
11.40 - 12.00	2. Shared Electronic Health Record: three way communication for Slowing CKD Progression (Pilot Project) <i>Katrina Duff, Queensland Health, Queensland</i>	5. An innovation liferaft is needed for late presenters. Results from the Australian PINOT audit <i>Rachael Morton, University of Sydney, New South Wales</i>	8. Home haemodialysis at sea <i>Ian McKenzie, Home dialysis patient of Gold Coast Hospital, Queensland</i>	
12.05 - 12.25	3. An Overview of the Latest Statistics on Chronic Kidney Disease in Australia <i>Lynelle Moon, Australian Institute of Health and Welfare, Australian Capital Territory</i>	6. Help cari to help you improve the quality of care and outcomes for people with kidney disease <i>Deirdre Fetherstonhaugh, Australian Centre for Evidence Based Aged Care (ACEBAC), Victoria</i>	9. A nurse-led multidisciplinary round in the Haemodialysis Units, an innovative approach to patient management <i>John Harkness, Sydney South West Area Health Service, New South Wales</i>	
12.25 - 12.55	LUNCH Continues through Poster session 1			Hall 2
12.25 - 13.25	Secretary Meeting (invitation only)			Meeting Room 5 & 6
12.25 - 13.25	WAG Meeting (invitation only)			Committee Room

12.55 - 13.25	Poster Session 1	Hall 2
	Chairs: Lynne Abell & Keri-Lu Equinox	
	<p>P1. Review of Collaborative Care for Haemodialysis Patients in Residential Aged Care Facilities <i>Sue Coppola, North West Dialysis Service, Melbourne Health, Victoria</i></p> <p>P2. Supporting Pathways to Palliative Care for People Diagnosed with Chronic Kidney Disease <i>Sarah Challenor, Launceston General Hospital, Tasmania</i></p> <p>P3. Incentre Haemodialysis Patients Utilisation Of GP Services In The Community <i>Paula McLeister, Gold Coast Hospital, Queensland</i></p> <p>P9. The Impact of a Norovirus Outbreak on Staff and Patients in an Acute Renal Ward <i>Maxine Jordan, ACT Health, Australian Capital Territory</i></p> <p>P10. Evaluation of Pre-dialysis education in a Queensland Renal Unit <i>Lois Berlund, Cairns Base Hospital, Queensland</i></p> <p>P11. Haemodialysis: How Does Down Under Compare to the Pearl of the Orient Seas? <i>Kristoffer Abeleda, Dandenong Dialysis Unit, Southern Health Network, Victoria</i></p> <p>P12. Challenges of facilitating citrate anticoagulant locks into a new era of innovation <i>Nafeesa Ahmed, Southern Health, Victoria</i></p> <p>P13. A changing workforce: The Enrolled Nurse role in renal units <i>Robyn Bailey, Southern Area Renal Clinical Network, Queensland</i></p> <p>P14. Cultural Change: A patients perspective <i>Lorriane Jackson, NephroCare Australia, Western Australia</i></p> <p>P15. Calcium, Phosphate and parathyroidhormone challenge <i>Getzi Benedict, Noosa Hospital, Queensland</i></p> <p>P16. Holiday Dialysis Konnections: A new initiative to facilitate holiday dialysis <i>Paul Bennett, Flinders University, South Australia</i></p> <p>P17. Being on the Edge: Nurses and Patients as Student Educators <i>Kirsten Black, Royal Hobart Hospital, Tasmania</i></p> <p>P18. PD (peritoneal dialysis) ...the way to go! <i>Christine Bond, Princess Alexandra Hospital, Queensland</i></p> <p>P19. Ward off diabetes and help combat renal disease ...management of the renal diabetic <i>Christine Bond, Princess Alexandra Hospital, Queensland</i></p> <p>P20. Removal of Free Light Chains using a High Cut-Off Filter for a Patient with Renal Failure Secondary to Multiple Myeloma: Outcomes and Management <i>Elaine Borg, Queensland Health, Queensland</i></p> <p>P21. Mean Arterial Pressure (MAP) measurement as an intradialytic assessment tool: a plausible and innovative adjunct to Blood Pressure (BP) monitoring <i>Wendi Bradshaw, Southern Health, Victoria</i></p> <p>P22. Evaluation of safety profile for iron polymaltose – a prospective observational study <i>Veronica Britos, Sydney South West Area Health Service, New South Wales</i></p> <p>P23. A Three Monthly Rotational Program for Nurses through the Haemodialysis Unit <i>Nemesia Capelle, Nauru Haemodialysis Unit, Nauru</i></p> <p>P24. The Introduction of Assistants in Nursing in Haemodialysis Units <i>Josephine Chow, Sydney South West Area Health Service, New South Wales</i></p> <p>P25. Comparison of haemoglobin at death pre and post CREATE and CHOIR <i>Jamin Claes, Queensland Health, Queensland</i></p> <p>P26. Intradialytic Parenteral Nutrition (IDPN) <i>Cathy Croucher, Queensland Health, Gold Coast Hospital, Queensland</i></p> <p>P27. Evaluation of Education Material on Phosphate Binders <i>Mirella Curtale, Sydney South West Area Health Service, New South Wales</i></p> <p>P28. Evaluation of an innovative and alternative model of care <i>John Fanning, Toowoomba Hospital, Queensland</i></p> <p>P29. Patient Education/Support - An Innovative Approach <i>Nicole Farquharson, Toowoomba Renal Unit, Queensland</i></p> <p>P30. Keeping Safety as a Focus in a Satellite Unit <i>Lisa Finch, Redland Dialysis Unit, Queensland</i></p> <p>P31. Supporting well-being through community partnerships: a psychosocial care initiative for early CKD <i>Harry Glynn, Royal Brisbane and Women’s Hospital, Queensland</i></p> <p>P32. The Zemplar® Exemplar <i>Dorte Goodger, Launceston General Hospital, Tasmania</i></p> <p>P33. The Renal Practitioner Role in an Acute Renal Ward <i>Deying Guo, Monash Medical Centre, Victoria</i></p> <p>P34. Sally’s Story: A Lived Experience of Chronic Kidney Disease and Dialysis <i>Barbara Harvie, Canberra Hospital, Australian Capital Territory</i></p> <p>P35. Transplantation in the Far North: Distance, Discoveries and Dilemmas <i>Bronwyn Hayes, Cairns Base Hospital, Queensland</i></p> <p>P36. Three benefits of yoghurt</p>	

13.25-15.00				
Concurrent Sessions				
	Haemodialysis Access	Innovations in Education	Peritoneal Dialysis: Clinical Challenges	Psychosocial Renal Care
	Plenary Hall A & B	Meeting Room 2	Meeting Room 3 & 4	Meeting Room 5 & 6
	Chair: Anna Lee	Chair: Cassy Stone	Chair: Marie Topouzakis	Chair: Denise Fracchia
13.25 - 13.45	10. An Innovative Vascular Access Option for Haemodialysis Patients <i>Kathy Hill, Flinders Medical Centre, South Australia</i>	14. Generating the Swell: Enhancing Access and Equity through Innovative Education Strategies <i>Kirsten Black, Royal Hobart Hospital, Tasmania</i>	18. Pre-Peritoneal Dialysis Assessment: Tackling the Issues Early <i>Anna Claire Cuesta, St George Hospital, New South Wales</i>	22. Reducing the number of aggressive incidents on the haemodialysis unit by improving the patient's experience of haemodialysis <i>Tania Burns, St George Public Hospital, New South Wales</i>
13.50 - 14.10	11. Preparation for Vascular Access Surgery – Optimal Timing for Blood Collection Post Haemodialysis <i>Glenn Stewart, Concord Hospital, New South Wales</i>	15. The Utilisation of E-learning in continuing renal nursing education in the management of Arteriovenous Fistula/Graft <i>Judith Ibister, Sydney South West Area Health Service, New South Wales</i>	19. Peritoneal Dialysis in Refractory Congestive Heart Failure: A Fascinating Challenge <i>Lisa Paquin, St Vincent's Hospital, New South Wales</i>	23. A nurse's personal journey through renal failure <i>Gerri Doogan, Southern Health Care Network, Victoria</i>
14.15 - 14.35	12. Trial of Tri Sodium Citrate DURALOCK-C: A review of haemodialysis catheter patency and catheter related bacteraemia at Southern Health <i>Mechelle Seneviratne, Southern Health, Monash Medical Centre, Victoria</i>	16. Partnership + Education = Support: The Experience of Building a Consumer-Driven Support Group Through Organisational Partnership and Consumer Education <i>Beth Richardson, Kidney Health Australia, Queensland</i>	20. Gastrointestinal symptoms: Prevalence and impact on food intake in dialysis patients <i>Karen Salamon, Southern Health, Victoria</i>	24. The Impact of Fatigue on Daily Activity in People with Chronic Kidney Disease <i>Ann Bonner, Charles Sturt University, New South Wales</i>
14.40 - 15.00	13. Buttonhole Cannulation: First randomised controlled trial <i>Glenda Rayment, Liverpool Renal Clinical Research Centre, New South Wales</i>	17. Rejected but not Discarded - Reusing Reverse Osmosis Reject Water <i>James Gerrish, North West Dialysis Service, Victoria</i>	21. VRE peritonitis: A dreaded fear! <i>Amy Obad, Southern Health, Victoria</i>	25. Characteristics of successful dialysis exercise programs <i>Paul Bennett, Flinders University, South Australia</i>
15.00 - 15.30	Afternoon Tea <i>Sponsored by Janssen-Cilag</i>			Hall 2
	Chair: Lois Berlund			
15.30 - 16.00	GUEST SPEAKER Interventional nephrology - Burrowing towards new frontiers in fistula care Murty Mantha			Hall A
16.00 - 16.30	GUEST SPEAKER The Renal Foot Jason Warnock			Hall A
17.00 - 18.00	Trade Welcome <i>(invitation only)</i>			Meeting Room 9
18.00 - 19.30	Welcome Reception <i>Sponsored by Amgen</i>			Hall 2

Friday 4th June			
Breakfast Sessions			
	Meeting Room 1	Meeting Room 8	Meeting Room 2
7.00 - 8.15	PD Outcomes in Australia and New Zealand A call to Action <i>Baxter</i>	Working Smarter for Improved Patient Outcomes <i>Roche</i>	Vascular Access Update <i>Tekmed</i>
Chair: Janet Hole			
8.15 - 8.30	Welcome, Housekeeping		Hall A
8.30 - 9.15	KEYNOTE SPEAKER Organic growth: Optimising the living donor pool Lisa Burnapp		Hall A
9.15 - 10.15	RSA AGM		Hall A
10.15 - 10.45	Morning Tea		Hall 2
Chair: Bronwyn Hayes			
10.45 - 11.15	GUEST SPEAKER Bone Mineral Metabolism - Emerging Concepts Carmel Hawley		Hall A
11.15 - 11.45	KEYNOTE SPEAKER On the receiving end: Starting a new life Lisa Burnapp		Hall A
11.45 - 12.15	GUEST SPEAKER Dialysis by remote control- the facts and fantasy Bev Hamerton		Hall A
12.15 - 12.45	LUNCH		Hall 2
Continues through Poster session 2			
	<i>Meeting Room 8</i>		<i>Committee Room</i>
12.15 - 13.15	Meeting of Conference Committees <i>(invitation only)</i>	Nephrology Academic Nurse Network of Australiasia Meeting <i>(invitation only)</i>	
12.45 - 13.15	POSTER SESSION 2 Chairs: Caroline Sommer & Keri-Lu Equinox		Hall 2
<p>P37. Free Light Chain Filter Treatment for Multiple Myeloma Patients with Renal Involvement – A Nursing Perspective <i>Angela Henson, Princess Alexandra Hospital, Queensland</i></p> <p>P38. Are Peritoneal Dialysis Patients with cumulative iron dosing achieving iron and haemoglobin targets? <i>Beverley Hiles, Lismore Base Hospital, New South Wales</i></p> <p>P39. The impact of the Western Australian Health Department's Peritoneal Dialysis services reform on the nursing workforce in one of its largest tertiary hospitals <i>Jon Hosking, Sir Charles Gairdner Hospital, Western Australia</i></p> <p>P40. The Evolving Role of the Renal Access Nurse in Australia and New Zealand <i>Sadie Jaeschke, Eastern Health, Victoria</i></p> <p>P41. Improving Patient Compliance <i>Caroline Letton, Diaverum Pty Ltd, Western Australia</i></p> <p>P42. Are we there yet? <i>Kerry Linton, Southern Health, Victoria</i></p> <p>P43. Journey of a pregnant woman with End Stage Renal Disease <i>Gwen Lowah, NT Renal Services, Northern Territory</i></p> <p>P44. Is Vitamin D deficient in our CKD population <i>Avril Macleod, Royal Prince Alfred Hospital, New South Wales</i></p> <p>P45. Advancements in Nocturnal Dialysis <i>Linda McGrail, Sydney Dialysis Centre, New South Wales</i></p> <p>P46. Internet Learning – The Future of Nurse Education <i>Marie McIntosh, Western Health, Victoria</i></p> <p>P47. Increasing Capacity by opening 7 days a week - Can it work? <i>Lynda McKelvie, Alice Springs Hospital, Northern Territory</i></p> <p>P48. Dogs in Dialysis "A Therapeutic Approach" <i>Sharon Morrow, Southern Health, Victoria</i></p> <p>P49. Developing a Supportive Care Booklet - Resource for Patients, Carers and Families <i>Jacqui Moustakas, Sydney South West Area Health Service, New South Wales</i></p> <p>P50. Value Adding - A Nurse Run CKD Clinic <i>Jacqui Moustakas, Sydney South West Area Health Service, New South Wales</i></p> <p>P51. Patients behaving badly - the development of a program to manage difficult behaviour <i>Pauline Nicholas, Renal Service, Royal Brisbane and Women's Hospital, Queensland</i></p>			

12.45 - 13.15	POSTER SESSION 2 (continued)				Hall 2
	Chairs: Caroline Sommer & Keri-Lu Equinox				
	<p>P52. SCHISTOSOMIASIS: An interesting case study <i>Amy Obad, Southern Health, Victoria</i></p> <p>P53. The Multidisciplinary role of the dialysis nurse in the private sector: A multiskilled taskforce <i>Suleen Rautenbach, NephroCare Queensland, Queensland</i></p> <p>P54. The trials and tribulations of a novice educator: Innovation required <i>Tarquin Robinson, Department of Health and Families, Northern Territory</i></p> <p>P55. Knowledge for the future: Providing education to staff in regional dialysis units associated with The North West Dialysis Service (NWDS) <i>Annette Rose, Melbourne Health, Victoria</i></p> <p>P56. Japanese Impressions - A tour of a Japanese dialysis unit <i>Jamie Rutherford, North West Dalysis Service, Victoria</i></p> <p>P57. Clinical Dialysis Technician: "Workforce in Haemodialysis Units" <i>Maahir Khaja Hussain Saheb, Auckland City Hospital, New Zealand</i></p> <p>P58. The Use of Blood Volume Monitoring (BVM) in Assessment of Patients' Target Weight (TW) and Fluid Status <i>Susana San Miguel, Liverpool Health Service, New South Wales</i></p> <p>P59. The Symbiotic Benefits of Having a Single Unit as Our Preferred Training Venue for Regional Staff <i>Elaine Sanders, North West Dialysis Service, Victoria</i></p> <p>P60. Renal Access Surgery in Remote Australia - A Quality Initiative <i>Monique Sandford, Royal Perth Hospital, Western Australia</i></p> <p>P61. Challenges in Vitamin B12 Management in the Community Setting <i>Susan Sheehan, John Hunter Hospital, New South Wales</i></p> <p>P62. Hypertension – the result of complication of Chronic Kidney Disease <i>Bing Shi, Monash Medical Centre, Victoria</i></p> <p>P63. Managing chronic liver disease in an ESRF patient <i>Joanne Smith, Mildura Base Hospital, Victoria</i></p> <p>P64. The Private Sector in Queensland - A unique experience? <i>Mathew Sullivan, Ramsay Health, Queensland</i></p> <p>P65. The low down of high cut off membranes <i>Marie Topouzakis, St Vincent's Health Melbourne, Victoria</i></p> <p>P66. A Nurse Practitioner Model of Care for Home Therapies <i>Wendy Washington, Townsville Health Service District, Queensland</i></p> <p>P67. Extended high cut off dialysis without the use of mainstream anticoagulant, due to heparin induced thrombocytopenia (Hits) " A Clinical Challenge" <i>Kathleen Webster, St. Vincents Hospital, Victoria</i></p> <p>P68. Staff workload in satellite haemodialysis units (SDU): A comparison of dialysis tasks and patient demographics between 2006 and 2009 <i>Anthea White, North West Dialysis Service, Victoria</i></p> <p>P69. Use it or Lose it! Why exercise should be routine in Renal Units <i>Yvonne White, Charles Darwin University, New South Wales</i></p> <p>P70. 'SIT ON IT' - An Innovative Approach to Pressure Ulcer Prevention in the Haemodialysis Client <i>Matthew Wise, Toowoomba Renal Unit, Queensland</i></p> <p>P71. Moving Reflections <i>Wendy Yarram, Central Gippsland Health Service, Victoria</i></p> <p>P72. Anaemia Management: A role for the Nurse Practitioner <i>Jane York, Royal Perth Hospital, Western Australia</i></p>				
13.15 - 14.50	Concurrent Sessions				
	Patient Education	Research: Clinical Challenges	Innovations in Renal Replacement Therapy (1)	Quality Initiatives in Clinical Practice	
	Plenary Hall A	Meeting Room 2	Meeting Room 3 & 4	Meeting Room 5 & 6	
	Chair: Leanne Brown	Chair: Joanne Wilkinson	Chair: Jenny Beavis	Chair: Melissa Stanley	
13.15 - 13.35	26. Exploring Older People's Views of Choice & Decision-Making in Chronic Kidney Disease (CKD) – A Grounded Theory Study <i>John Sedgewick, School of Health & Social Care, Teesside University, United Kingdom</i>	30. Communicating with patients – when words are not enough <i>Kim Kotas, North West Dialysis Service, Victoria</i>	34. Antibody Incompatible Adsorbion (ABOI) Column Treatment <i>Veronica Oliver, Princess Alexandra Hospital, Queensland</i>	38. To Keep Access Great – A Quality Improvement Project to Improve Monitoring & Documentation of Dialysis Patients Vascular Access <i>Timothy Davis, North West Dialysis Service, Victoria</i>	
13.40 - 14.00	27. Home Therapies Advice via the Simulation Room <i>Vicki Nebbia, Townsville, Queensland</i>	31. Interventional Nephrology Service – The Continued Success <i>Josephine Chow, Sydney South West Area Health Service, New South Wales</i>	35. Link Nurses- linking dialysis to home <i>Jo-anne Moodie, North West Dialysis Service, Victoria</i>	39. Managing Satellite Centres is Different than Incentre Hospital Units <i>Paul Bennett, Flinders University, South Australia</i>	

Full Program

Concurrent Sessions (continued)				
13.15 - 14.50	Patient Education	Research: Clinical Challenges	Innovations in Renal Replacement Therapy (1)	Quality Initiatives in Clinical Practice
	Plenary Hall A	Meeting Room 2	Meeting Room 3 & 4	Meeting Room 5 & 6
	Chair: Leanne Brown	Chair: Joanne Wilkinson	Chair: Jenny Beavis	Chair: Melissa Stanley
14.05 - 14.25	28. The Effectiveness of Nursing Interventions Which Promote Self - Management for People with End Stage Renal Disease (ESRD) Undergoing Haemodialysis: A Systematic Review <i>Bernadette Taylor, Royal Brisbane and Women's</i>	32. Outcomes of screening for sleep disordered breathing in a cohort of patients with chronic kidney disease stages three and four <i>Bettina Douglas, Princess Alexandra Hospital, Queensland</i>	36. Out of Adversity, Innovation and Collaboration <i>Pauline Byrne, Wollongong Hospital, New South Wales</i>	40. Do Iron Guidelines Translate Into Good Clinical Practice for Haemodialysis Patients <i>Margaret Morris, St Vincent's Hospital, Victoria</i>
14.30 - 14.50	29. Fatuga' O Manuia: An Education Resource for the Prevention of "sick kidneys" in the Samoan Community <i>Cassandra Stone, Logan Hospital, Queensland</i>	33. 5% Dextrose Study Protocol – A prospective cross-over interventional study <i>Susana San Miguel, Liverpool Health Service, New South Wales</i>	37. The Buoyancy of Clinical Data Management Systems in a Peritoneal Dialysis (PD) Unit <i>Dawn Purdue, Sydney South West Area Health Service, New South Wales</i>	41. Evaluation of the implementation of Assistant in Nursing workforce in Haemodialysis Units <i>Josephine Chow, Sydney South West Area Health Service, New South Wales</i>
14.50 - 15.20	Afternoon Tea			Hall 2
Concurrent Sessions				
15.20 - 16.55	CKD: Advanced Practice Nursing	Nursing Research	Clinical Challenges in Renal Replacement Therapy	Innovations in Renal Replacement Therapy (2)
	Plenary Hall A	Meeting Room 2	Meeting Room 3 & 4	Meeting Room 5 & 6
	Chair: Bettina Douglas	Chair: Paul Bennett	Chair: Rikki Thomas	Chair: Lee Hayes
15.20 - 15.40	42. Chronic Kidney Disease Models of Care - The Canadian Experience <i>Sonya Coleman, Royal Brisbane & Women's Hospital, Queensland</i>	46. Ethical considerations in research using a vulnerable population of people with CKD <i>Sandra Campbell, University of Tasmania, Tasmania</i>	50. Riding the waves of High Cost haemodialysis using High Cut-Off filters to treat Acute Renal Failure due to Multiple Myeloma <i>Erica Parker, Launceston General Hospital, Tasmania</i>	54. Nurses titrating ESAs using a treatment algorithm and clinical practice guideline <i>Jody Holmes, Peninsula Health, Victoria</i>
15.45 - 16.05	43. Managing Hepatitis B effectively: One approach that works <i>Barbara Harvie, Canberra Hospital, New South Wales</i>	47. What are the contributors to job satisfaction, stress and burnout for haemodialysis nurses? <i>Bronwyn Hayes, Cairns Base Hospital, Queensland</i>	51. When is big too big...The Big Issue <i>Kathleen McNamara, Prince of Wales Hospital, New South Wales</i>	55. Is ESA frequency of dosing influencing Hblevels in Peritoneal Dialysis patients 2002 v 2008 <i>Ann Kruger, Flinders Medical Centre, South Australia</i>
16.10 - 16.30	44. It Takes All Sorts: A case study of 'Candy' <i>Michele Harvey, Gold Coast Health Service District, New South Wales</i>	48. Creating a Positive Workplace Culture <i>Sharon Cottingham, Queensland Health, Queensland</i>	52. Patient's right to dialyse versus nurse's safety: A dialysis dilemma <i>Janice Kirkpatrick, Counties Manukau District Health Board, New Zealand</i>	56. Improving Hepatitis Serology monitoring in dialysis <i>Adele Donnelly, Gold Coast Hospital, Queensland</i>
16.35 - 16.55	45. 'Cross-Pollination': An Innovative Model of Chronic Disease Management <i>Michele Harvey, Gold Coast Health Service District, New South Wales</i>	49. What Knowledge Counts at the Moment of Practice: Information Practices of Renal Nurses <i>Ann Bonner, Charles Sturt University, New South Wales</i>	53. Back to a future with Automated Peritoneal Dialysis <i>Waseem Khan, North West Dialysis Service, Victoria</i>	57. Finding Friends & Fun: Assisting Children with Kidney Disease to Establish Peer Support Networks <i>Beth Richardson, Kidney Health Australia, Queensland</i>
19.00 - 23.30	GALA DINNER			Hall C & D

Saturday 5th June				
8.00 - 8.50	RSA TREASURER'S MEETING <i>(invitation only)</i>			Committee Room
	Chair: Janet Hole			
8.50 - 9.00	WELCOME, HOUSEKEEPING			Hall A
9.00 - 9.30	GUEST SPEAKER Back to the Future - Renal Services into the 21st Century Julie Hartley-Jones			Hall A
9.30 - 10.15	KEYNOTE SPEAKER Beyond a single organ: Risk delineation and chronic disease management benefits the whole person Simon Stewart			Hall A
10.15 - 10.40	MORNING TEA			Hall 2
	Concurrent Sessions			
10.40 - 11.50	Nurse Practitioners & Renal Health Care	Patient Research	Clinical Challenges in Haemodialysis	Renal Staff Education
	Plenary Hall A	Meeting Room 2	Meeting Room 3 & 4	Meeting Room 5 & 6
	Chair: Leslie Salam	Chair: Ann Bonner	Chair: Robyn Pollock	Chair: Sandra Campbell
10.40 - 11.00	58. Nurse practitioner led CKD-clinic: patients' expectations and experiences <i>Haakan Strand, University of Queensland, Queensland</i>	61. Impact of Dialysis on Rurally Based indigenous (Māori) Clients and Their Whānau <i>Li-Chin Shih, Northland District Health Board, New Zealand</i>	64. How Australian Nurses View Home Dialysis - Results of a National Survey <i>Lydia Lauder, Kidney Health Australia, Victoria</i>	67. The development of an e-learning buttonhole cannulation tool to improve vascular access related outcomes <i>Monica Schoch, Deakin University, Victoria</i>
11.05 - 11.25	59. Renal clients in General practice <i>Beth Amega, Danila Dilba Health Service, Northern Territory</i>	62. Complexities of prioritising VTE prophylaxis to High Risk Renal Patients <i>Mandy Smith, Princess Alexandra Hospital, Queensland</i>	65. Experiences of patients when training for Home-haemodialysis <i>Albert Robertson, MidCentral Health, New Zealand</i>	68. Making it Explicit: Workplace Strategies to Support Continuing Education and Professional Development for Nephrology Nurses <i>Kirsten Black, Royal Hobart Hospital, Tasmania</i>
11.30 - 11.50	60. Clinical Training for Nephrology Nurse Practitioner Candidates: Developing a Consensus Statement <i>Bettina Douglas, Princess Alexandra Hospital, Queensland</i>	63. Working with non-English speaking people with kidney disease, diabetes and cardiovascular disease <i>Allison Williams, University of Melbourne, Victoria</i>	66. Zeroing in on Blood Stream Infection rates in Haemodialysis Catheters <i>Julianne Green, Sydney Adventist Hospital, New South Wales</i>	69. Advanced Nephrology Nursing Education <i>Paul Bennett, Flinders University, South Australia</i>
12.00 - 13.00	LUNCH			Hall 2
	Chair: Kylie Dunbar-Reid			
13.00 - 13.45	KEYNOTE SPEAKER Chronic Disease Profiles in Remote Aboriginal Settings and Implication for Health Service Delivery Wendy Hoy			Hall A
13.45 - 14.15	GUEST SPEAKER A view of health care from the other side Stephen Oldham			Hall A
14.15 - 14.35	RSA 2011 LAUNCH			Hall A
14.35 - 14.45	RSA Awards			Hall A
14.45 - 15.00	Conference Closing			Hall A
